V-Motion

ACTIVE LEARNING SYSTEM

3-7 Years

- Uses age appropriate play with wireless motion fun
- Get in the game with all your favorite characters like Mickey Mouse, Kung Fu Panda, Wall•E and more!

Vtech's V-Motion™ gets "active minds in motion" with today's must-have technologies, providing a motion-activated gaming system appropriate for 3 to 7 year olds. A huge breakthrough for junior gamers, V-Motion combines educational video games with a wireless, intuitive controller to create an interactive gaming system that engages both active minds and bodies.

V-Motion Wireless Controller

- Wireless feature makes movement easy
- 2 player fun with an additional joystick
- With a simple switch, the controller twists and changes to suit both right and left-handed players

Disney Elements © Disney, Disney/Pixar Elements © Disney/Pixar, © Disney
Based on the "Winnie the Pooh" works by A.A. Milne and E.H. Shepard.

Create-A-Story inspires creative reading skills by enabling children to build their own story. With this new creative approach in exposing children to reading through the magic of storytelling and imagination. They can choose from favorite Disney characters, develop the storyline and watch and listen as their very own story comes to life.
